What We Do

The Club meets twice a month:

1. Focus Night:
 Reviews video-making technology aimed at various levels of competence. It is held once a month on the second Wednesday except December and January.

2. Club Night
 Held once a month on the fourth Wednesday except November and December. Starts early over coffee and consists of presentations by an expert lecture on a video making topic followed by a short coffee break.

Why not come along and see for yourself. Visitors are always welcome and there is no fee for a first visit.

We have competitions:

During the year, there are four competitions each with a different pre-arranged theme. Teams or individuals may enter the competitions. Screenings are held on the Club Night on which the entries are due. Judging is carried out by independent judges and the results are available on the Club Night following screening.

There is a monthly newsletter called "Electronic Eye".

The club's monthly newsletter and magazine. It keeps members up to date with club information, what is happening at the coming month's meetings and technical video-related information.

VOTY

Members compete for a number of awards culminating in Video of the Year. This is the Club's premiere short film event is held at the end of November.
